FOOTBALL CLUB  
CORPORATE PARTNERSHIP PACKAGES 2021**

# ABOUT US.

## THE ONKAPARINGA VALLEY FOOTBALL CLUB

Being one of the most supported and family orientated clubs in the Adelaide Hills, the Onkaparinga Valley Football Club (OVFC) provides opportunities for juniors as young as five to begin developing their skills through our Auskick programs. We offer 13 junior teams beginning with under 8's, right through to under 16's and our senior grades include an U18's and three senior teams (A/B/C). The 2018 introduction of women's football to OVFC has helped us to achieve our goal of being the most respected family orientated club in the Adelaide Hills. Our Under 16's women's team went through 2020 undefeated and won their first premiership. Our open women's team made finals once again and will look to go one better in 2021.

Saturday nights at the club often look like this, packed full of families, players and supporters.

Under 16's celebrating their inaugural premiership in 2020.

# OUR VISION STATEMENT.

“To be the most respected family orientated football club.”

# MISSION STATEMENT.

*noun.*  
a formal summary of the aims and values of a company, organization, or individual.

“OVFC is a family friendly club that provides a safe environment and quality facilities to foster sustained success. We will do this by honouring our core values of:”

- PROFESSIONALISM** presentation of ourselves and facilities
- RESPECT** our club and our people
- UNITY** as one club....we will achieve our vision
- HONESTY** with ourselves and others
- DISCIPLINE** uphold a high level of integrity at all times
- ACCOUNTABILITY** be ruthless in honouring commitment
- INCLUSIVE** everybody contributes

# 2020

# RECAP

Together with contributing to the rising every day costs involved in running our club, your contribution will go a long way to improving the clubs facilities and provide opportunities for local Hills residents and children.

Well... what a year! The devastating bushfires that hit our community at the start of the year affected many of our players, supporters & valued sponsors. As a club, we organised a support day where over 100 volunteers went out to various affected properties, to offer support to those that needed it—it was the least we could do.

Covid-19 hit us in March just when we were about to launch season 2020. After a forced break, our club worked extremely hard to ensure footy could be played in 2020. Eventually a shortened season eventuated with 8 games and finals. A majority of our teams played some finals football with the highlight being our Under 16 women's team winning their first premiership.

2021 is going to be a huge year for the Bulldogs, with things somewhat back to normal, we are all eager to get back into it and bring home some silverware. However, we desperately need your help, so if you'd like to support our club in anyway, it would be greatly appreciated.
